Information for Colorado Prescribers of Prescription Drugs:
MIMRYLO™ (rusfertide) for injection

● This list does not imply that the products listed below are interchangeable or have the same efficacy or safety. Please refer to each product's FDA-approved label and indication for further information.

● The prices listed below represent the Wholesale Acquisition Costs (WAC) which are made available to the public by third-party publishers. Information about WAC of these drugs is being provided to Colorado prescribers pursuant to Colorado law, to give you information about the relative prices of marketed drugs and other drugs in the same therapeutic class.

● The prices listed here do not necessarily reflect price per dosage, price per course of treatment or the cost effectiveness, of all the products listed. WAC does not reflect discounts, rebates and other reductions in price. The actual price paid by patients may differ and is dependent upon the individual patient's insurance.
