

INDIA CORPORATE OVERVIEW

Better Health, Brighter Future

Last Updated May 2024

**“At Takeda, patients always come first.
We also believe that a focus on trust,
reputation, and business, in that order,
sets us apart”**

Christophe Weber
President & CEO

SUPPORTING PATIENTS
FOR 242 YEARS

Who We Are

Creating better health for people and a brighter future for the world is Takeda's purpose. The science and technology we advance are constantly evolving, but through our enduring values, our ambition remains steadfast. We strive to deliver truly transformative treatments, contributing significant value to society while creating an exceptional experience for our people.

Our Corporate Philosophy

Purpose Better health for people, brighter future for the world.

Vision Discover and deliver life-transforming treatments, guided by our commitment to patients, our people and the planet.

Values: Takeda-ism We are guided by our values of Takeda-ism which incorporate **Integrity, Fairness, Honesty and Perseverance**, with Integrity at the core. They are brought to life through actions based on **Patient-Trust-Reputation-Business**, in that order.

Imperatives

PATIENT

- Responsibly translate science into highly innovative, life-transforming medicines and vaccines
- Accelerate access to improve lives worldwide

PEOPLE

- Create an exceptional people experience

PLANET

- Protect our planet

UNLEASH THE POWER OF DATA AND DIGITAL

- We strive to transform Takeda into the most trusted, data-driven and outcomes-based biopharmaceutical company

A Global Biopharmaceutical Company

FOUNDED IN

1781

Our Passion for People Transforms Our Work Into Meaningful Action

We believe we can create an exceptional people experience for everyone at Takeda by focusing on these four areas:

Talent

Develop and attract top talent to deliver our vision with a highly engaged workforce

Well-being

Focus on empowering life-work alignment to enhance well-being and increase productivity

Diversity, Equity & Inclusion

Drive positive change by promoting and improving diversity, equity and inclusion

Learning

Create an environment that fosters lifelong learning and a growth mindset, enabling employees to thrive inside and outside of Takeda

RECOGNITION

OUR WAYS OF WORKING

We're evolving our ways of working to build a flexible, enriching experience that fosters our values, promotes employee well-being and creates inclusion with regular face-to-face interactions for specific work and collaboration.
