

Takeda IIR Proposal Submission to Study Activation Process Flow

(More details on the process are available in the FAQ document)

*Proposal review and protocol review can be combined if proposal, protocol, and budget (where applicable) are submitted together during initial submission

**Budget needs to be submitted on Takeda's budget template (available on iEnvision)

***No support is guaranteed until mutually agreeable IIR agreement (contract) is executed by both parties

^Pre-Clinical Oncology Research (PCOR) is excluded from Protocol Review, Ethics Approval & Additional Document steps
