# **Standard Account Registration**

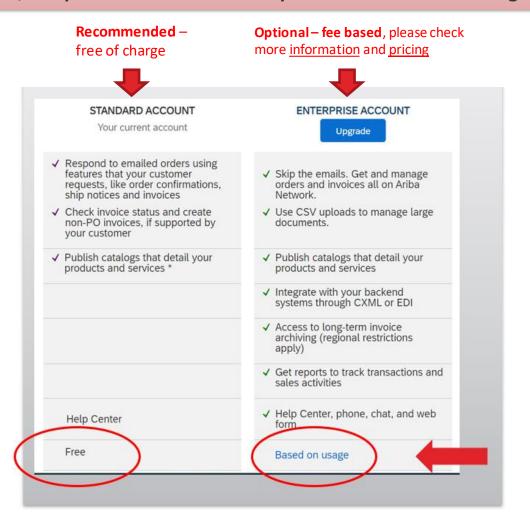

#### **IMPORTANT:**

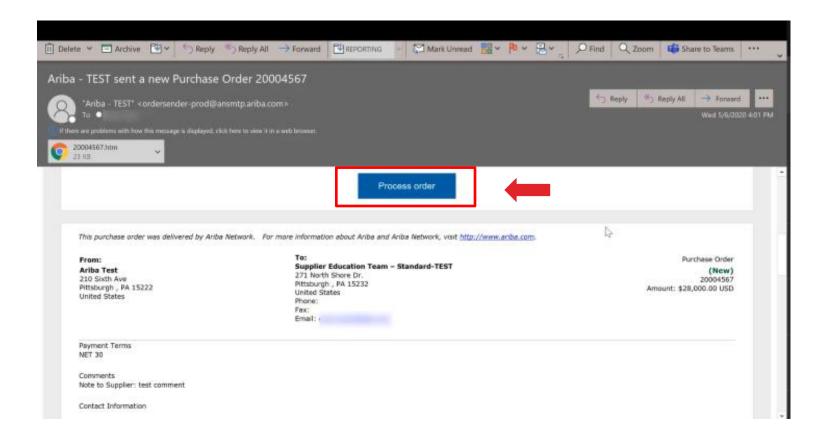

Please note that Takeda recommends Suppliers to cooperate on STANDARD ACCOUNT which is a free-of-charge option.

Upgrading the account to the Enterprise type is not an obligatory action. Regardless of the volume of documents created or the amount of spend, it is possible to continue cooperation with Takeda using STANDARD ACCOUNT.

**STEP 1.** When you receive a notification regarding your new order from Takeda, press "**Process order**" button.

**STEP 2.** After being moved to the SAP Business Network log-in-site you will see below options:

- Here you can check potential duplicate accounts.
  Click "Review accounts" to check potential duplicates.
- If you already are the SAP Business Network user

   press "Use existing account" and log in with the credentials of your already existing account.
- If you are **new to SAP Business Network** press "Create new account" to register a new Standard Account for free and check following pages for registration details.

Connect with Takeda on SAP Business Network to collaborate.

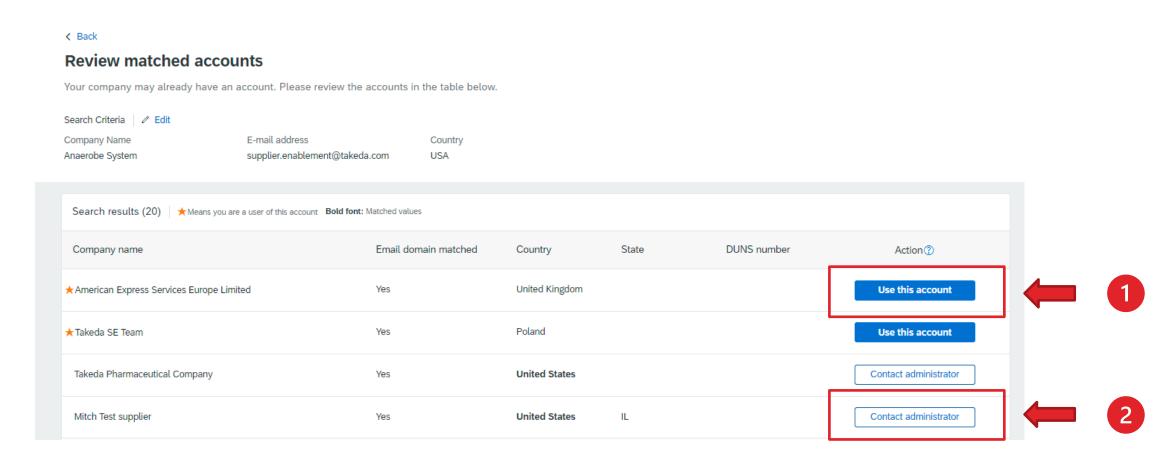

We found existing accounts based on the information in the invite. Please review.

1	Review accounts
	or —
2	Use existing account
3	Create new account

**STEP 3. Duplicate accounts** – if you find your company on the search list, you have two possibilities:

- 1. You can select "Use this account" to log in with the credentials connected with your email address.
- 2. You can also select "Contact administrator" to contact account administrator and request access to the account.

**STEP 4.** For this step, please fill all the obligatory fields (marked with an asterisk).

Afterwards accept terms of use and click "Create Account".

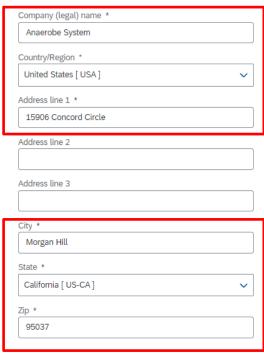

I have read and agree with the Terms of Use.

I hereby agree that SAP Business Network will make parts of my (company) information accessible to other users and the public based on my role within the SAP Business Network and the applicable profile visibility settings.

Please see the Privacy Statement to learn how we process personal data.
